Anisha Khandelwal

Jaipur, Rajasthan | +91 8890454630 / anishakhandelwal933@gmail.com / LinkedIn / GitHub

SUMMARY

Motivated final-year student with strong analytical, problem-solving, and teamwork skills. Quick learner, eager to apply technical knowledge to real-world challenges.

ACADEMIC PROJECTS

Brain Stroke Prediction May 2024 | Machine Learning, Deep Learning, Grad-Cam, Image Processing   **2024**
- Developed a CNN-based model with Grad-CAM for stroke risk prediction, achieving 95% accuracy
- Applied image processing techniques for enhanced feature extraction and diagnostic accuracy.

Vrinda-Store-Sales-Analysis Interactive Dashboard | MS Excel, Data Analysis   **2024**
- Created a 2022 sales dashboard to identify key customer insights for 2023 strategy.
- Found that women (65%) aged 30-49 from Maharashtra, Karnataka, and UP were top buyers.

Move-Mentor : connecting abilities | Machine Learning, Deep Learning, Media Pipe Holistic   **2023**
- A sign language recognition system with 95% accuracy using LSTM Neural Networks, Python, Media Pipe Holistic, Machine learning.
- Managed an 8-member team in designing and building the project, ensuring collaboration and efficient task management.

SKILLS

Technical Skills: Python(NumPy, Pandas, Matplotlib), C++, Ms. Excel, SQL, Power BI, MySQL, AWS, Salesforce developer console.

Problem-Solving: Root Cause Analysis, Abstract Problem Solving, Hypothesis-Driven Analysis, Data Analysis, Data Visualization

Soft Skills: Multi-Tasking & Prioritization, Teamwork, Strong Verbal & Written Communication, Adaptability, Resilience, Self-Learning

EDUCATION

Vellore Institute of Technology	**CGPA:**	**Bhopal, MP**
Bachelor of Technology in ECE (AI & Cybernetics)	*8.34*	***August 2021 – May 2025***

CERTIFICATIONS

• Salesforce Supported Virtual Internship Program, Smart Internz	**January 2025**
• AWS Certified Cloud Practitioner , Amazon	**February 2024**
• PWC Switzerland Power BI Job Simulation, Forage	**September 2024**
• Accenture North America Data Analytics and Visualization Job Simulation, Forage	**June 2024**

EXTRA CO-CURRICULAR

- Optimized social media and PR strategies to amplify TEDxVITBHOPAL Chapter reach and impact within the student community.
- Showcased leadership and commitment to the engineering field through active participation in IEEE.
